Get Started

1. Create a Canvas (Alternative Login) account at <https://canvas.umsystem.edu/>
 - ✓ If you are not a MU student or staff, you will need a Canvas Alternative Login. Creating a Canvas Alternative Login is a one-time process.
 - ✓ You will need to use and access a personal or work email address as part of this process.
 - ✓ Creating a Canvas Alternative Login has three main parts: creating, activating and verifying. Learn more at <https://tinyurl.com/4r5txd3b>
 - ✓ If you are a current MU student or staff, use your UMSYSTEM log in and go to step 2.
2. Find courses at <https://tinyurl.com/y7huy968> and enroll.
3. Bookmark <https://canvas.umsystem.edu/> to return to your Canvas dashboard and your course(s).
